

Next Pivot Point Learning Choices

Not all training needs to be live and in person. Next Pivot Point has a blend of virtual, live webcasts, and live facilitated learning to meet leaders where they are at.

Based on your organization, blended learning content is crafted with your budget in mind. Options to consider:

1. Virtual (\$500 per module)
 - a. These 45-minute pre-recorded video modules are available for all topics on the Lead Like an Ally Checklist.
 - b. This includes content prepared in mp4 format to upload to client LMS via client shared site, Google Drive, or DropBox and companion 5-page workbook for each module.
2. Blended (\$1,000 per webcast or packages of 4 for \$3,000)
 - a. These one-hour live virtual webcasts are available for all topics on the Lead Like an Ally Checklist.
 - b. This includes live chat facilitation, Zoom hosting up to 100 participants or on preferred platform, recording file shared in mp4 format to upload to client LMS via client shared site, Google Drive, or DropBox and companion 5-page workbook for each webcast.
3. Live (\$4,500 per talk or 4 for \$10,000 plus travel expenses)
 - a. A one to two-hour talk on “Lead Like an Ally” or other diversity and inclusion topics including: Men as Allies, Candid Conversations, Unconscious Bias, Privilege, or other dimensions of diversity (race, gender, LGBTQ+, disabilities)
 - b. This includes a kickoff call, live delivery and travel time, feedback summarization, and debrief call.

Note: Additional customization beyond standard content or LMS administration time is passed through at \$250/hour.
